CURRENT REVISION:	<b>January 2024</b>		

## **Safety-Sensitive Content**

Safety-sensitive content is information that, if publicly released, would be detrimental to the security of Home, Residents, team members or others.

Although safety-sensitive information is not classified information, there are specific procedures for protecting and safely sharing this information.

Anyone who wishes to access safety-sensitive content of the Emergency Management Manual must contact the Sun Parlor Home directly for further information.
